Conference code: CO235854 From: 3 - 7 August 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Conference Fees: 3875 € Euro

Introduction:

The [Strategic Warehousing, Inventory Planning, and Supply Chain Resilience Conference](#) offers an advanced, high-level exploration of integrated strategies essential for modern supply chain leaders. In today's volatile global environment, disruptions are no longer exceptions—they are expected. This makes resilient inventory systems, efficient warehouse designs, and flexible supply chain operations more critical than ever.

Organized by [Global Horizon Training Center](#), this 5-day executive conference brings together experts, decision-makers, and thought leaders to discuss global trends, advanced warehousing models, and future-ready inventory practices. Participants will dive into the intersection of technology, sustainability, and agility—learning how to adapt, innovate, and lead with foresight. Each day offers a mix of keynote addresses, expert panels, interactive workshops, and real-world case discussions designed to drive practical takeaways and strategic alignment.

Conference Objectives:
