Training Course: Executive Productivity and High-Performance Habits

Training Course code: LS235994 From: 14 - 18 July 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5500 € Euro

Introduction

In the evolving and demanding world of executive leadership, success is no longer solely defined by strategic thinking or technical expertise – it increasingly depends on a leader's ability to maximize productivity, maintain peak performance, and sustain high-impact habits. As pressures mount from all sides – global competition, digital transformation, complex decision-making, and the need for innovation – today's executives must master personal effectiveness just as much as organizational leadership.

The "Executive Productivity and High-Performance Habits" training program, designed by Global Horizon Training Center, empowers senior leaders and high-potential professionals with elite-level tools, behavioral techniques, and performance frameworks to operate at their absolute best. Drawing on neuroscience, productivity science, and behavioral psychology, this course is designed to create sustainable change in behavior, resulting in a tangible uplift in performance, focus, and execution.

Course Objectives

By the end of this course, participants will be able to:

- Develop daily habits that lead to consistent high performance.
- Master techniques to enhance energy, focus, and time management.
- Align personal productivity with strategic organizational goals.
- Increase mental clarity, emotional resilience, and decision-making efficiency.
- Create systems for prioritization, delegation, and execution excellence.
- Reduce burnout, distractions, and cognitive overload in high-stakes roles.

Course Methodology

This course utilizes a highly engaging and interactive learning approach, including:

- Practical exercises based on leading productivity frameworks.
- Self-assessments and habit tracking tools.
- Neuroscience-based techniques for optimizing mental energy.
- Role-playing and executive simulations for real-world practice.

- Personal action plans for implementing new behaviors immediately.
- Coaching-style sessions to facilitate sustainable habit formation.

Organizational Impact

Organizations whose leaders adopt high-performance habits will:

- Experience more agile, focused, and effective leadership teams.
- Improve time-to-decision and strategic execution speeds.
- Reduce executive fatigue and decision burnout.
- Foster a culture of performance, clarity, and intentional work.
- Strengthen resilience and adaptability at the top levels of leadership.
- Ensure alignment between executive productivity and strategic outcomes.
