Training Course: Strategy Execution Professional

Training Course code: LS236037 From: 8 - 12 September 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

Introduction

This program, designed by Global Horizon Training Center, empowers professionals with the practical knowledge and skills needed to translate strategic plans into tangible results. It focuses on aligning organizational resources, managing change, measuring performance, and fostering accountability for successful strategy execution.

Objectives

By the end of this program, participants will be able to:

- Understand the principles and frameworks of effective strategy execution.
- Align organizational structures, processes, and culture with strategic objectives.
- Translate strategic plans into actionable initiatives and priorities.
- Use tools to track progress, measure performance, and ensure accountability.
- Manage risks and overcome obstacles in executing strategy.

Organizational Impact

- Strengthen the alignment between strategic goals and operational execution.
- Increase accountability and clarity across teams and functions.
- Enhance organizational performance and competitiveness.
- Build a culture of focus, agility, and continuous improvement.
- Support senior leaders with actionable insights and data-driven progress tracking.

Target Audience

- Senior managers and department heads.

- Strategy and planning professionals.
- Project managers and operational leaders.
- Executives and decision-makers responsible for translating strategy into action.
- Anyone involved in implementing and monitoring organizational strategies.
