Training Course: Organizing and Managing Effective Meetings

Training Course code: HR236014 From: 8 - 12 September 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

Introduction:

In the modern workplace, meetings are an essential component of communication, collaboration, and decision-making. However, many meetings are poorly planned, inefficiently managed, and ultimately unproductive. These ineffective gatherings waste valuable time and resources, and can diminish morale, clarity, and outcomes.

The "Organizing and Managing Effective Meetings" training program, proudly designed by Global Horizon Training Center, is structured to empower professionals with the knowledge, skills, and tools required to make every meeting count. This course addresses both the strategic and tactical elements of meeting management—starting from planning and structuring the meeting to facilitating productive dialogue and following up on actionable results.

Objectives:

By the end of the training program, participants will be able to:

- Understand the role and importance of effective meetings in organizational success.
- Plan and structure meetings with clear agendas and defined outcomes.
- Facilitate meetings that encourage participation, focus, and results.
- Manage different personalities, conflicts, and group dynamics.
- Apply best practices for both in-person and virtual meetings.
- Ensure follow-up and accountability through documentation and task tracking.
- Reduce unnecessary meetings and optimize the use of time and resources.

Course Methodology:

This course adopts a hands-on and experiential learning approach, including:

- Interactive presentations and real-world scenarios
- Role-plays and simulations of various meeting types
- Group exercises and breakout discussions
- Meeting analysis and video reviews
- Templates for agendas, minutes, and feedback forms

- Self-assessment tools and facilitation checklists

Organizational Impact:

Implementing the techniques taught in this course will result in:

- A culture of purposeful and outcome-oriented meetings
- Enhanced communication, collaboration, and decision-making
- Reduced meeting fatigue and increased employee productivity
- Stronger alignment on goals, priorities, and actions
- Increased accountability through proper documentation and follow-up
- Cost and time savings by eliminating unproductive meetings

Target Audience:

This course is designed for:

- Team leaders and department heads
- Project and operations managers
- Executive assistants and coordinators
- HR and administrative professionals
- Supervisors and professionals who lead or participate in meetings regularly
- Anyone responsible for planning, facilitating, or contributing to meetings

Outlines:

Day 1: The Strategic Role of Meetings

- Why meetings succeed or fail: Common challenges
- Types of meetings: Informational, decision-making, brainstorming, reviews, etc.
- The ROI of effective meetings
- Roles and responsibilities: Chairperson, facilitator, timekeeper, participants
- Assessing current meeting culture in your organization

Day 2: Planning and Structuring Effective Meetings

- Defining the purpose and desired outcome
- Preparing agendas that drive action
- Selecting the right participants and setting expectations
- Scheduling and logistics: timing, frequency, and environment
- Tools for meeting invitations and pre-read materials

Day 3: Facilitating Productive Meetings

- Opening the meeting and setting ground rules
- Techniques to guide discussion and stay on track
- Encouraging participation and managing dominant or silent participants
- Time management strategies during meetings
- Handling interruptions, digressions, and difficult behaviors

Day 4: Decision-Making, Conflict Resolution, and Virtual Meetings

- Decision-making models in meetings: consensus, voting, delegation
- Conflict resolution and mediation in group settings
- Using technology to conduct virtual and hybrid meetings
- Tools and platforms: Zoom, MS Teams, Google Meet, etc.
- Engaging remote participants and managing tech issues

Day 5: Closing, Follow-up, and Continuous Improvement

- Recapping decisions, actions, and responsibilities
- Writing effective minutes and summaries
- Ensuring accountability and follow-through
- Gathering feedback and evaluating meeting effectiveness
- Creating a personal action plan to improve future meetings
