

*Training Course:
Compliance, Audits, and Continuous
Improvement Techniques*

2 - 6 November 2025

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Compliance, Audits, and Continuous Improvement Techniques

Training Course code: SC236059 From: 2 - 6 November 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3875 € Euro

Introduction

In today's complex regulatory environment, compliance and audit functions have become critical in ensuring organizational integrity, risk mitigation, and continuous improvement. This program, designed by Global Horizon Training Center, equips participants with advanced skills to understand regulatory obligations, design and evaluate audit processes, and foster a culture of continuous improvement within their organizations. The training addresses the strategic role of compliance and internal auditing in reinforcing organizational governance and driving sustainable growth.

Objectives

By the end of this training course, participants will be able to:

- Understand the key components of compliance and regulatory frameworks.
- Evaluate and implement effective audit practices and internal control mechanisms.
- Identify and manage compliance risks.
- Utilize tools and techniques to drive continuous improvement in compliance and audit operations.
- Integrate compliance and auditing processes into the broader organizational strategy.
- Foster a culture of ethical behavior and accountability across departments.

Course Methodology

This course is highly interactive and includes:

- Expert-led presentations and real-world case studies
- Group discussions and workshops
- Compliance simulations and audit exercises
- Risk analysis and control design tasks
- Continuous improvement planning sessions
- Peer knowledge sharing and best practice identification

Organizational Impact

Organizations that invest in this training will gain:

- Enhanced compliance posture and reduced risk of regulatory violations
- Strengthened internal audit capabilities aligned with international standards
- Improved integration of compliance with business performance metrics
- Empowered staff capable of identifying inefficiencies and driving operational improvements
- Increased trust from stakeholders through demonstrated commitment to ethical practices

Target Audience

This course is ideal for:

- Compliance Officers and Managers
- Legal and Regulatory Affairs Personnel
- Internal Auditors and Risk Managers
- Corporate Governance Specialists
- Quality and Process Improvement Professionals
- Senior Managers responsible for compliance strategy or audit oversight

Outlines

Day 1: Foundations of Compliance and Corporate Governance

- Introduction to corporate governance and the role of compliance
- Global regulatory frameworks and key compliance standards ISO, COSO, SOX
- Legal risk exposure and reputational risk
- Roles and responsibilities in a compliance management system
