## Training Course: Public Policy Development, Governance & Administration

Training Course code: MA235998 From: 10 - 14 November 2025 Venue: London (UK) - Landmark Office Space  
- Oxford Street Training Course Fees: 5500 € Euro

### Introduction

This program is designed by Global Horizon Training Center to provide participants with a comprehensive understanding of public policy formulation, effective governance practices, and administrative processes crucial for the public sector. It focuses on equipping participants with the tools, frameworks, and skills needed to design, implement, and evaluate public policies that align with governance principles and administrative efficiency.

### Objectives

By the end of this program, participants will be able to:

- Understand the public policy development cycle and its key components.
- Analyze governance structures and principles that support policy development.
- Apply best practices in policy design, implementation, and evaluation.
- Enhance skills in stakeholder engagement, consultation, and consensus building.
- Address challenges in public administration and promote accountability.

### Organizational Impact

- Strengthen institutional capacity for evidence-based policymaking.
- Improve governance processes and accountability in policy implementation.
- Enhance interdepartmental collaboration and stakeholder engagement.
- Foster innovative and adaptive approaches to policy challenges.
- Ensure public policies align with strategic and societal objectives.

### Target Audience

- Policy Makers and Analysts.
- Public Sector Managers and Administrators.
- Senior Government Officials and Advisors.
- Stakeholders involved in policy development and governance.
- Researchers and professionals in public policy and governance.

## Training Program Outline

### Day 1: Foundations of Public Policy and Governance

- Defining public policy and its significance in governance.
- The policymaking environment: political, economic, and social factors.
- The policy development cycle: agenda setting, formulation, implementation, evaluation.
