Training Course code: SM236028 From: 3 - 7 November 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

Introduction

In an era defined by rapid digital transformation and a hyper-connected audience, successful media and advertising campaign planning is not just about creativity—it's about strategy, precision, and impact. The "Media and Advertising Campaign Planning" training program, developed by Global Horizon Training Center, is designed to provide professionals in managerial roles with the essential knowledge and tools to plan, execute, and evaluate high-performance media campaigns across traditional and digital platforms.

This comprehensive course enables managers to align marketing strategies with business goals, segment target audiences effectively, craft compelling messages, select the right media mix, and measure ROI with confidence. As advertising budgets continue to shift toward digital and performance-driven models, there's a growing demand for managers who can lead campaigns with both creativity and data-backed decisions.
