Centric Organisation*

26 - 30 October 2025

Dubai (UAE)

Residence Inn by Marriott Sheikh Zayed Road, Dubai

Training Course: Beyond Customer Service: Building a Customer Centric Organisation

Training Course code: RR5011 From: 26 - 30 October 2025 Venue: Dubai (UAE) - Residence Inn by Marriott Sheikh Zayed Road, Dubai Training Course Fees: 4500 € Euro

Introduction

This program focuses on building customer-centric organizations by aligning with customer needs and expectations. Participants learn strategies and best practices for delivering world-class customer service. Key topics include communication, persuasion, and conflict resolution skills. The course covers measuring and improving service standards for long-term customer satisfaction. It helps organizations enhance loyalty and gain a competitive edge.

Course Objectives of Beyond Customer Service

- Establish the importance of setting and reviewing customer service standards
- Develop an understanding of internal and external customer expectations
- Communicate more effectively by utilizing active listening and questioning skills
- Demonstrate how to deal with difficult or demanding customers in a professional manner
- Set SMART objectives and goals to become more productive
- Utilize stress management techniques to increase job satisfaction

Course Methodology of Beyond Customer Service

This 5-day seminar is highly interactive and encourages delegate participation through a combination of group discussion, videos, role-play exercises, case studies, and breakout sessions. This seminar will include benchmarking best practices to model world-class customer service excellence. The comprehensive course manual has been designed to be practical, easy to use, and facilitate learning. Delegates are provided a comfortable, enlightening learning experience that gives them the latest insights, techniques, and best practices to promote long-term customer satisfaction and loyalty.

Organizational Impact

- A shared organizational customer-centric service vision
- Enhanced professional image with a customer base
- Increased customer retention and revenue growth
- Improved Intra/interdepartmental communication and teamwork
- A highly motivated and customer-focused workforce

- Increased competency and communication skills

Personal Impact

- An increased appreciation for their role in helping their organization achieve customer service excellence
- Up to date techniques and methods to help them provide world-class customer service
- Enhanced leadership and communication skills required to excel in their career
- Increased confidence in their abilities to work professionally with difficult or upset customers
- Improved management performance by learning techniques to empower, motivate and retain customer service personnel
- Improved time management skills to become more productive
