Training Course: Corporate Travel Risk Management and Duty of Care

Training Course code: SC236116 From: 10 - 14 November 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 6000 £ Euro

Introduction

In today's dynamic global business environment, managing risks associated with corporate travel is critical to safeguarding employees and protecting the organization. This training program is designed to equip travel managers and related professionals with the knowledge and practical skills needed to effectively identify, assess, and mitigate travel risks while fulfilling the organization's duty of care obligations. Participants will learn how to develop comprehensive risk management plans, respond to emergencies, ensure traveler safety, and implement policies that align with legal and ethical standards.

Target Audience

- Travel Managers and Coordinators
- Risk Management Officers
- HR Professionals involved in employee travel
- Business Managers responsible for corporate travel oversight
- Security and Compliance Officers

Objectives

By the end of this program, participants will be able to:

- Understand the principles and importance of corporate travel risk management and duty of care.
- Identify and assess various risks related to business travel.
- Develop and implement effective travel risk management policies and emergency response plans.
- Utilize technology and tools to monitor traveler safety and manage incidents.
- Promote a culture of risk awareness and traveler safety within their organizations.
