Training Course: Business Planning and Coordination: Effective Strategies for Achieving Goals and Seizing Opportunities

Training Course code: LS236161 From: 23 - 27 November 2025 Venue: Dubai (UAE) - Residence Inn by Marriott Sheikh Zayed Road, Dubai Training Course Fees: 4500 € Euro

Introduction:

Planning and coordination are essential components of successful business management. They help organizations achieve their goals and ensure sustainable success. This training program aims to provide participants with the foundational concepts of business planning and coordination, along with the skills and tools needed to develop and implement integrated business plans that align with organizational objectives and seize available opportunities.

Program Objectives:

- Understand the concept and importance of planning and coordination in the context of business management.
- Learn the principles of business planning, environmental analysis, and forecasting.
- Acquire the skills needed to develop and implement integrated business plans aligned with organizational goals and desired outcomes.
- Identify and analyze available opportunities and leverage them effectively.
- Provide a practical framework for applying planning and coordination practices within organizations.

Target Audience:

- Project and team leaders in organizations and companies
- Planning and coordination officers in institutions and organizations
- Members of project management and organizational development teams
- Anyone working in the field of planning and coordination or seeking to develop their skills in this area
