## Training Course: Career Planning

Training Course code: HR235739 From: 15 - 19 September 2025 Venue: London (UK) - Landmark Office Space - Portman Street Training Course Fees: 5500 € Euro

### Introduction

Career planning is a crucial process for individuals seeking to align their skills, interests, and aspirations with long-term professional goals. This program, designed by Global Horizon Training Center, provides participants with the necessary tools and strategies to take control of their career trajectory, ensuring sustainable growth and professional fulfillment. The course covers self-assessment techniques, goal setting, skills enhancement, networking strategies, and career transitions, enabling individuals to navigate their career paths effectively.

### Objectives

By the end of this training program, participants will be able to:

- Understand the importance of career planning and its impact on professional growth.
- Identify personal strengths, skills, and career aspirations through self-assessment techniques.
- Develop a strategic career roadmap with short-term and long-term goals.
- Enhance professional skills, competencies, and personal branding.
- Learn networking and relationship-building strategies for career advancement.
- Master career transition strategies and adapt to evolving industry trends.
- Create an actionable career development plan.

### Course Methodology

This program is delivered through a combination of interactive learning methods, including:

- Expert-led presentations and discussions.
- Case studies and real-world career planning examples.
- Practical exercises and self-assessment activities.
- Group activities and peer networking opportunities.
- Career coaching and mentorship sessions.
- Role-playing and scenario-based learning.

## Organizational Impact

Organizations that support career planning initiatives will benefit from:

- Increased employee engagement, satisfaction, and retention.
- A well-structured talent development pipeline.
- Enhanced workforce productivity and motivation.
- A culture of continuous learning and career advancement.
- Improved succession planning and leadership development.
- Reduced employee turnover and recruitment costs.

## Target Audience

This training program is ideal for:

- Employees seeking to plan and advance their careers strategically.
- Professionals considering career transitions or industry shifts.
- HR professionals and career counselors.
- Managers and team leaders supporting employee career growth.
- Recent graduates and early-career professionals.
- Entrepreneurs and business owners planning long-term career paths.
