using COBIT Framework

5 - 9 October 2025
Cairo (Egypt)
Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course:
Governance, Risk, and Compliance Excellence using COBIT Framework

Training Course code: SC236267 From: 5 - 9 October 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3875 ⏍ Euro

Introduction

In today⏍s rapidly changing business environment, organizations face increasing challenges in governance, risk management, and regulatory compliance. The COBIT framework provides a globally recognized structure that enables organizations to align governance practices with strategic objectives, strengthen internal controls, and manage risks effectively.

This 5-day training program equips participants with practical knowledge and tools to apply the COBIT framework in governance, compliance, and risk management. Through real-world case studies and interactive workshops, participants will learn how to leverage COBIT principles to ensure organizational efficiency, accountability, and resilience.

Course Objectives

By the end of this training, participants will be able to:

- Understand the fundamentals of the COBIT framework and its role in governance and compliance.

- Align organizational objectives with COBIT principles for effective governance.

- Apply COBIT processes to strengthen compliance and risk management practices.

- Design governance and compliance programs based on COBIT controls.

- Evaluate governance, risk, and compliance GRC structures within organizations.

- Develop strategies for organizational resilience and accountability using COBIT.

Target Audience

This program is designed for professionals involved in governance, compliance, and risk management, including:

- Governance, Risk, and Compliance GRC Officers.

- Corporate Executives and Decision-Makers overseeing governance and compliance.

- Risk Managers & Compliance Specialists.

- Legal Advisors & Regulatory Officers.

- Internal Auditors and Consultants working with governance frameworks.
