Training Course: Finance for Lawyers

Training Course code: FI236275 From: 30 November - 4 December 2025 Venue: Manama (Bahrain) - Fraser Suites
Training Course Fees: 4500 € Euro

Introduction

The Finance for Lawyers training program, designed by Global Horizon Training Center, bridges the gap between legal expertise and financial literacy. In today's business and regulatory environment, lawyers are increasingly required to understand financial principles, interpret financial documents, and engage effectively with clients, accountants, and financial institutions.

This program equips participants with the essential knowledge of finance, accounting, and financial management concepts tailored specifically to legal professionals. Through practical case studies, real-world examples, and interactive exercises, participants will gain confidence in analyzing financial statements, understanding corporate finance, evaluating investment decisions, and navigating complex financial transactions within legal frameworks.

Objectives

By the end of this program, participants will be able to:

1. Understand the fundamentals of accounting and financial reporting.
2. Interpret and analyze key financial statements balance sheet, income statement, cash flow statement.
3. Apply financial principles to contract drafting, litigation, and advisory services.
4. Assess business valuations, mergers & acquisitions, and due diligence from a legal perspective.
5. Navigate the regulatory and compliance aspects of finance in corporate and commercial law.
6. Enhance their advisory role to clients by integrating financial insights into legal decision-making.

Course Methodology

- Interactive Lectures: Led by finance and legal experts.
- Case Studies & Real Scenarios: Covering corporate finance, M&A, compliance disputes, and litigation.
- Group Discussions & Problem-Solving: Encouraging collaborative learning.
- Hands-On Exercises: Financial statement analysis and contract review with financial implications.

- Role Play & Simulations: Lawyer-client negotiations on financial matters.

Organizational Impact

Organizations benefit as participating lawyers will be able to:

- Provide more comprehensive advice by integrating financial and legal perspectives.
- Anticipate financial risks in contracts, negotiations, and disputes.
- Improve communication and collaboration with finance, audit, and executive teams.
- Strengthen compliance and governance by understanding financial regulations.
- Enhance organizational reputation through lawyers equipped with both legal and financial acumen.

Target Audience

This program is designed for:

- Corporate and commercial lawyers.
- In-house legal counsels.
- Legal advisors in banking, finance, and investment.
- Junior and senior associates in law firms.
- Regulatory and compliance officers.
- Any legal professional seeking to strengthen their financial knowledge.
