Training Course code: Fl236300 From: 26 - 30 October 2025 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3550 \[\] Euro

Introduction

The Budgeting Specialist training program, designed by Global Horizon Training Center, equips participants with the knowledge, tools, and techniques to effectively plan, prepare, and manage budgets within their organizations. In today so competitive business environment, accurate budgeting is a cornerstone of financial stability and strategic growth. This program integrates both theoretical foundations and practical applications, enabling participants to analyze financial data, allocate resources, monitor performance, and adapt to changes in organizational priorities. By the end of the program, participants will be well-prepared to support strategic decision-making and ensure financial efficiency across departments.

Objectives

By the end of this program, participants will be able to:

- 1. Understand the principles, concepts, and processes of budgeting.
- 2. Develop and implement effective budget plans aligned with organizational goals.
- 3. Apply techniques for forecasting, cost control, and variance analysis.
- 4. Utilize modern tools and software to enhance budgeting accuracy and efficiency.
- 5. Monitor, evaluate, and adjust budgets to respond to dynamic business environments.
- 6. Provide accurate financial insights that support organizational strategy and decision-making.

Course Methodology

The course employs an interactive and practical learning approach, including:

- Instructor-led presentations with real-world case studies.
- Hands-on exercises in budget preparation, monitoring, and analysis.
- Group discussions and problem-solving scenarios.
- Practical application of budgeting tools and templates.

Feedback sessions to reinforce learning outcomes.

Organizational Impact

Organizations will benefit from:

- Enhanced financial planning and resource allocation.
- Improved cost control and performance monitoring.
- Increased alignment between budgeting activities and strategic objectives.
- Reduced financial risks through accurate forecasting and variance analysis.
- Strengthened accountability and transparency in financial operations.

Target Audience
