Training Course: Executive Leadership Management

Training Course code: LS234762 From: 21 - 25 June 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

Introduction

The Executive Leadership Management Program explores leadership skills for the complex and dynamic modern workplace. In today's evolving business landscape, there's a growing need for highly skilled leaders who can navigate through complex challenges and empower their teams to succeed. Over eight weeks, you'll learn techniques to lead high-performance teams to add value and purpose to your organization through effective leadership strategies.

Investigate how to maximize your influence using practical tools and frameworks, and gain a deeper understanding of your leadership style to align it with your organization's goals.

Objectives

At the end of this course the participants will be able to:

- Gain the insights to devise and implement an effective strategy in your organization
- Develop the confidence to operate outside your comfort zone
- Increase your ability to engage, inspire and influence
- Prepare for a more senior management role or professional challenge
- Develop effective, motivated, and innovative leaders
- Gain insights into the latest thinking on strategic business topics
- Build a strong leadership framework
- See a return on investment through Henley's collaboration with a learning partner in your organization. This person will understand and support the needs of the organization and the participant, benefitting both
