Training Course: Advanced Supervisory Skills

Training Course code: LS8265 From: 12 - 16 October 2026 Venue: Amsterdam (Netherlands) - Training Course Fees: 5775 € Euro

Introduction

Effective supervision is essential for organizational success, team performance, and operational efficiency. Supervisors play a critical role in guiding employees, managing performance, improving communication, resolving workplace challenges, and ensuring that organizational objectives are achieved successfully.

The Advanced Supervisory Skills program is designed to help participants develop the practical leadership, communication, performance management, and team supervision skills required to become confident and effective supervisors. The program focuses on the transition from operational roles to supervisory responsibilities while strengthening participants' ability to motivate teams, delegate tasks, manage conflict, communicate effectively, and build influence within the workplace.

Participants will gain practical tools and techniques to enhance productivity, improve team relationships, support employee performance, and strengthen their leadership effectiveness.

Course Objectives

By the end of this training program, participants will be able to:

- Understand the roles and responsibilities of an effective supervisor.
- Differentiate between operational and supervisory functions.
- Apply key supervisory and leadership skills confidently.
- Set objectives and monitor team performance effectively.
- Motivate employees and improve workplace productivity.
- Apply delegation and performance management techniques.
- Manage workplace conflict and employee challenges professionally.
- Develop strong communication and questioning skills.
- Improve decision-making and team leadership capabilities.
- Build personal influence, empowerment, and leadership confidence.
