Digital Transformation & Innovation*

*30 November - 4 December 2026  
Kuala Lumpur (Malaysia)*

## Training Course: Digital Transformation & Innovation

Training Course code: SC235033 From: 30 November - 4 December 2026 Venue: Kuala Lumpur (Malaysia) - Training Course Fees: 6300 € Euro

### Introduction

This training program aims to help leaders and organizations understand and leverage digital technologies to drive innovation, improve customer experience, and stay competitive in a rapidly changing digital landscape. Participants will learn how to assess their digital maturity, identify and prioritize digital opportunities, build a digital culture and mindset, and implement and sustain digital transformation initiatives. The program will use a combination of theoretical concepts, practical tools, and experiential activities to help participants apply digital transformation skills in their work and personal lives.

### Objectives

By the end of this training program, participants will be able to:

- Understand the impact of digital technologies on organizations and society
- Assess their digital maturity and identify digital opportunities
- Build a digital culture and mindset
- Implement and sustain digital transformation initiatives effectively
- Navigate ethical, legal, and social issues related to digital transformation

### Target Audience

- Executives: Senior leaders responsible for setting digital transformation strategies and driving organizational innovation.
- Managers: Professionals overseeing digital initiatives, operational improvements, and technology adoption within their departments.
- Supervisors & Team Leaders: Individuals responsible for guiding teams through digital change and ensuring effective implementation of new technologies.
- Entrepreneurs: Business owners seeking to leverage digital transformation to innovate, scale operations, and enhance competitiveness.
- Leaders at All Levels: Decision-makers aiming to develop digital transformation capabilities and foster a culture of innovation within their organizations.

### Outlines:
