Training Course: Strategic Planning

Training Course code: LS235500 From: 6 - 10 December 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

Introduction

In today's dynamic business environment, strategic planning is essential for achieving sustainable success and organizational growth. This program, designed by [Global Horizon Training Center](#), equips participants with the knowledge, tools, and frameworks required to develop and implement effective strategic plans at both organizational and individual levels.

The program focuses on building a clear strategic vision, analyzing internal and external environments, and translating strategy into actionable plans. Through practical applications and real-world insights, participants will enhance their ability to contribute to long-term organizational success.

Objectives

By the end of this program, participants will be able to:

- Understand the fundamentals and importance of strategic planning
- Analyze internal and external organizational environments
- Develop vision, mission, and strategic direction
- Define and evaluate strategic goals and supporting plans
- Implement and monitor strategic action plans effectively

Target Audience

This program is designed for:

- Executive Managers and General Managers
- Department Heads and Administrative Managers
- Leaders seeking to enhance strategic planning capabilities
- Professionals involved in management and strategic planning
