## Training Course: Oracle Billing and Revenue Management BRM

Training Course code: IT234689 From: 4 - 8 October 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

### Introduction

Oracle Billing and Revenue Management BRM is an integrated end-to-end enterprise software suite for the communications industry. BRM revenue generation enables you to deliver services with optimal pricing to your customers. With BRM, service plans can be complex, yet you can change them quickly to respond to changing market conditions. BRM customer management tools enable you to continue generating revenue from existing customers by maintaining a positive and proactive relationship. BRM revenue capture enables you to rate service usage with a high level of control and responsiveness. The BRM system is integrated with network authentication, authorization, and accounting.
