Training Course: Business Strategy & Planning for Managers

Training Course code: LS235321 From: 27 - 31 December 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

Welcome to the Business Strategy & Planning for Managers training program, expertly curated and presented by Global Horizon Training Center. In today's ever-changing business landscape, effective strategic planning is vital for the success and growth of organizations. This program is designed to equip managers with the knowledge, skills, and tools needed to create, implement, and adjust business strategies that drive sustainable growth and competitive advantage. At Global Horizon Training Center, we are dedicated to providing high-quality training that enables professionals to navigate complex strategic challenges successfully.

Objectives

By the end of this program, participants will be able to:

- Develop a comprehensive understanding of business strategy and its critical role in organizational success
- Analyze internal and external factors influencing strategic decision-making
- Apply strategic planning frameworks to create actionable and impactful strategies
- Align business strategies with organizational goals and market trends
- Enhance decision-making skills and adaptability in dynamic business environments

Target Audience

This program is ideal for:

- Mid- to senior-level managers
- Team leaders
- Department heads and directors
- Executives responsible for strategic decision-making
- Business development and strategy managers
- Project managers
- Professionals looking to enhance their strategic planning skills
- Individuals aiming to contribute significantly to organizational success
