## Training Course: Procurement Best Practices

Training Course code: PC4037 From: 9 - 13 August 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

### Introduction

The Procurement function has developed from a simple administrative function to a fully-fledged strategic business unit. No longer is it sufficient to simply turn requisitions into orders and then await the delivery of the goods or services. It was therefore imperative for Procurement to constantly deliver value to the organization by delivering products and services that contribute to the well-being of the organization.

In order to do this, Best Practices have to be implemented on four levels:

- Strategic
- Tactical
- Operational
- Contingency

This seminar will address the necessary conditions at all four levels for those delegates who want to implement high-performing Procurement functions.

### Course Objectives of Procurement Best Practices

Participants attending the program will:

- Understand the evolution of Procurement
- Understand the evolution of Procurement
- Discuss the inputs, outputs, and processes of the system
