## Training Course: The Mini Oxford Advanced Management & Leadership

Training Course code: MA234848 From: 14 - 18 June 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

### Introduction

In today's fast-evolving and highly competitive global environment, organizations require leaders who can think strategically, lead with agility, and drive sustainable performance. The [Mini Oxford Advanced Management & Leadership](#) program is designed to provide executives and senior professionals with a comprehensive understanding of modern management practices and advanced leadership principles inspired by world-class executive education models.

This program combines strategic thinking, leadership development, and organizational excellence to equip participants with the tools needed to navigate complexity, lead high-performing teams, and deliver impactful results. It integrates key disciplines such as decision-making, innovation, performance management, and change leadership, all within a practical and interactive learning environment.

Through case studies, simulations, and real-world business scenarios, participants will enhance their leadership capabilities, strengthen their strategic mindset, and develop the confidence required to lead organizations effectively in uncertain and dynamic contexts.

### Course Objectives

By the end of this program, participants will be able to:

- Develop advanced leadership skills aligned with modern organizational needs
- Strengthen strategic thinking and decision-making capabilities
- Lead and manage high-performance teams effectively
- Apply innovative approaches to problem-solving and business challenges
- Manage organizational change and transformation initiatives
- Enhance communication, influence, and stakeholder management skills
- Align leadership practices with organizational goals and performance outcomes
- Foster a culture of innovation, accountability, and continuous improvement

### Target Audience

This program is designed for:

- Senior Executives and Directors
- Department Heads and Senior Managers
- Emerging Leaders and High-Potential Professionals
- Government Officials and Policy Leaders
- Business Owners and Entrepreneurs

- Professionals preparing for leadership and executive roles
