Training Course: Sales Management Best Practices

Training Course code: SM234618 From: 17 - 21 May 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

Introduction

This training program is designed by [Global Horizon Training Center](#) to equip frontline and mid-level sales managers with the advanced capabilities required to lead high-performing sales teams in today's competitive markets.

Achieving superior sales results requires more than individual selling skills—it demands a structured sales management system, effective leadership, and data-driven decision-making. This program focuses on enhancing managerial competencies in planning, forecasting, team development, and performance management to drive sustainable business growth.

Participants will gain practical tools and frameworks to organize sales operations, coach their teams effectively, and improve overall sales productivity and profitability.

Course Objectives

By the end of this program, participants will be able to:

- Demonstrate the core competencies of effective sales managers
- Design and implement sales strategies aligned with business objectives
- Apply sales forecasting techniques to optimize performance
- Structure and manage sales territories efficiently
- Recruit, train, and develop high-performing sales teams
- Conduct effective coaching and performance evaluation sessions
- Apply leadership and motivation techniques to enhance team productivity
- Use performance metrics and evaluation models to drive results

Target Audience

- Sales Managers and Supervisors
- Team Leaders in Sales Functions
- Business Development Managers
- Key Account Managers transitioning to leadership roles
- Professionals responsible for managing sales teams
