

*Training Course:  
CON 091 Contract Fundamentals*

*22 November - 3 December 2026  
Manama (Bahrain)*

## Training Course: CON 091 Contract Fundamentals

Training Course code: PC235038 From: 22 November - 3 December 2026 Venue: Manama (Bahrain) - Training Course Fees: 7350 € Euro

### Introduction:

CON 091 Contract Fundamentals is a comprehensive training program designed to equip participants with the knowledge, skills, and tools needed to effectively manage federal contracts and comply with relevant laws, regulations, and policies. The program is specifically designed for individuals involved in the federal contracting process, including contracting officers, program and project managers, acquisition professionals, and other personnel responsible for administering federal contracts.

### Objectives:

- To provide participants with a broad understanding of the federal acquisition process
- To help participants understand the laws, regulations, and policies that govern federal contracting
- To equip participants with the skills and tools needed to manage federal contracts effectively
- To help participants identify and mitigate risks associated with federal contracts
- To provide participants with the knowledge and skills needed to maintain compliance with federal regulations and policies

### Target Audience

- Entry-level contract administrators and coordinators
- Procurement officers and purchasing staff new to contract management
- Project team members involved in contract preparation or execution
- Legal support staff assisting with contracts
- Professionals seeking foundational knowledge of contracts, their structure, and legal obligations
- Anyone involved in the early stages of contract negotiation, drafting, or administration
