Training Course: Advanced Senior Office Administration & Management

Training Course code: OM235701 From: 17 - 21 May 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

Introduction

This program, designed by Global Horizon Training Center, focuses on developing high-level administrative capabilities required for modern office environments.

In today's fast-paced and complex organizations, senior office administrators are expected to go beyond routine tasks and play a strategic role in ensuring operational efficiency, coordination, and communication across departments. This requires a combination of organizational awareness, interpersonal effectiveness, and advanced administrative competencies.

This program equips participants with practical tools and techniques to manage tasks, people, and priorities effectively while enhancing their professional impact through strong communication, customer service, time management, and emotional intelligence.

Objectives

By the end of this program, participants will be able to:

- Understand the strategic importance of the office administrator role
- Manage processes, tasks, and people efficiently
- Develop a customer-centric approach to service delivery
- Apply advanced time management techniques to improve productivity
- Enhance professional communication and telephonic skills
- Utilize emotional intelligence to manage stress and workplace relationships

Target Audience

- Senior Office Administrators
- Executive Assistants and Office Managers
- Administrative Supervisors and Coordinators
- Professionals in advanced administrative roles
- Individuals preparing for senior administrative responsibilities
