Training Course: The 5 Day MBA in Successful Management for Business Achievement

Training Course code: MA1117 From: 27 September - 1 October 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4350 € Euro

Introduction

In today's competitive and rapidly evolving business environment, professionals must possess a broad understanding of core business functions and the ability to integrate them into effective management practices. Successful managers are those who can think strategically, lead teams, manage resources efficiently, and make informed decisions that drive business performance.

This intensive program, developed by [Global Horizon Training Center](#), provides a condensed "MBA-style" experience, covering essential management disciplines required for business success. It equips participants with practical tools and frameworks in strategy, leadership, finance, marketing, and operations.

Participants will gain a holistic understanding of how organizations function, enabling them to enhance performance, improve decision-making, and achieve sustainable business results.

Course Objectives

By the end of this program, participants will be able to:

- Understand key business and management disciplines
- Apply strategic thinking to achieve business objectives
- Enhance leadership and team management skills
- Interpret financial information for decision-making
- Develop effective marketing and customer strategies
- Improve operational efficiency and performance
- Make informed and data-driven business decisions
- Integrate business functions to achieve organizational success

Target Audience
