Madrid (Spain)*

Training Course: Effective Healthcare Communication, Public Relations & Engagement

Training Course code: RR234626 From: 26 - 30 October 2026 Venue: Madrid (Spain) - Training Course Fees: 5775 € Euro

Introduction

Good communication, public relations, and engagement are vital to all organizational teams/departments across the life sciences industry. Separating the signal from the noise, however, isn't as straightforward as it seems. This comprehensive course provides life science professionals with a deeper exploration of the principles of communications/engagement/public relations, as well as examples from the more creative industries to broaden one's knowledge.

This immersive experience will equip delegates with a range of "take-home" skills to apply within their workplace/hospital/organization.

Course Objective

- Stakeholder mapping & segmentation
- Branding & positioning
- Patient or Person: beliefs, behaviors, and actions
- The tools and techniques required to manage reputation in a complex media environment
- How to manage knowledge within the business for media effectiveness
- How to shape external perceptions of your organization by first-class corporate internal communications
- How to develop a strategic approach and a clear plan of action

Target Audience

- Hospital Directors and Healthcare Administrators
- Public Relations and Corporate Communications Managers
- Healthcare Marketing and Branding Professionals
- Patient Engagement and Patient Experience Managers
- Corporate Affairs and External Relations Officers
- Government Affairs and Stakeholder Relations Professionals
