Training Course: ISM- ISPS - MLC Internal Auditor

Training Course code: MM234663 From: 18 - 22 October 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4410 € Euro

Introduction

Maritime organizations operate under multiple international regulatory frameworks that require strict compliance, continuous monitoring, and effective auditing systems. The [International Safety Management ISM Code](#), the [International Ship and Port Facility Security ISPS Code](#), and the [Maritime Labour Convention MLC 2006](#) collectively form the foundation for safety, security, and seafarer welfare in the maritime industry.

This program, developed by [Global Horizon Training Center](#), is designed to equip participants with the competencies required to perform internal audits across these three critical frameworks. It focuses on audit principles, compliance verification, risk-based auditing, and continuous improvement practices.

Participants will gain practical skills to plan, conduct, and report internal audits, identify non-conformities, and support organizations in achieving compliance and operational excellence.

Course Objectives

By the end of this program, participants will be able to:

- Understand the requirements of ISM, ISPS, and MLC frameworks
- Apply internal auditing principles and methodologies
- Plan and conduct integrated audits across multiple standards
- Identify non-conformities and areas for improvement
- Develop corrective and preventive action plans
- Prepare audit reports and communicate findings effectively
- Support compliance and certification processes
- Promote continuous improvement within maritime organizations
