Training Course: Digital Marketing

Training Course code: SM234799 From: 6 - 10 July 2026 Venue: Tbilisi (Georgia) - Training Course Fees: 5775 € Euro

Introduction

This training program is designed by [Global Horizon Training Center](#) to provide participants with a comprehensive, hands-on approach to mastering digital marketing across all major channels.

The course is highly interactive and practical, incorporating real-world projects, actionable frameworks, checklists, and step-by-step guidance. Participants will learn how to build and execute a complete digital marketing strategy from scratch—whether for their organization, personal business, or clients.

The program focuses on enabling professionals to design, implement, and optimize marketing campaigns using modern tools and platforms, ensuring measurable results and strong return on investment.

Course Objectives

By the end of this program, participants will be able to:

- Develop a comprehensive digital marketing and social media strategy
- Design professional digital marketing plans monthly, quarterly, yearly
- Build and manage content calendars effectively
- Apply content marketing strategies and differentiate them from traditional marketing
- Utilize SEO concepts to enhance content visibility
- Create engaging content using modern tools without advanced design skills
- Plan and execute posting strategies across platforms
- Manage online communities and digital communication professionally
- Use templates and tools to prepare marketing proposals and plans
- Analyze performance and optimize campaigns based on data
