Introduction:

In an ever-increasing pace of Life and Business, it becomes even more important to remove stress and operate with heightened sensory acuity. As the cost of stress to the employer continues to grow, organizations must recognize stress in their employees and train management to manage stress productively. A recent survey showed that 1 in 5 people report their work to be very or extremely stressful, citing the nature of their work, relationships at work, or their employer as the cause.

It has been stated, that "The ability to communicate well" is ranked the number one key to success, by leaders in business, politics and the professions. To be really successful in business, it is essential to learn, appropriate, practice and develop, vitally effective communication skills, both on a one-to-one basis, and to small and large groups. This two-module seminar covers these strategic areas in a unique, proactive manner, and result in top-quality performance.
