Training Course: Advanced High Performance Leadership

Training Course code: LS1029 From: 21 June - 2 July 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

In today's competitive business world, high-performance leadership is not just about managing day-to-day tasks—it's about inspiring teams to achieve extraordinary results, navigating change, and driving the organization toward long-term success. Advanced High-Performance Leadership focuses on developing the leadership competencies necessary to build and sustain high-performing teams, foster innovation, and create a culture of excellence.

This program is designed for senior leaders who aim to refine their leadership skills, master advanced techniques in team development, and elevate their ability to lead with impact and purpose. Through a blend of theoretical learning, practical tools, and hands-on experience, delegates will enhance their ability to lead their teams through challenging environments and achieve exceptional organizational outcomes.

Objectives

By the end of this program, participants will be able to:

- Lead with a clear vision and drive high performance at all levels of the organization.
- Cultivate a high-performance culture that attracts, retains, and develops top talent.
- Master advanced leadership techniques for managing change, innovation, and conflict.
- Build and lead high-performing teams that collaborate effectively and achieve exceptional results.
- Use emotional intelligence and communication strategies to enhance leadership impact.
- Develop a personal leadership development plan to sustain high performance over the long term.
