Introduction

Business Strategy is a training course that enables anyone to think and act strategically. You will learn an effective, easy-to-grasp framework that some of the world's best companies use to create value and achieve outstanding financial performance.

The business Strategy consists of approximately 20 hours of material delivered over a one-week period 5 Days.

Business Strategy features 5 Days of content and daily exercises, enabling the opportunity to put learning into practice. Participants will learn how to evaluate trade-offs and align, prioritize, and formulate strategic initiatives for the greatest business impact.

Training Objectives

- Assess business opportunities through the lens of value creation
- Apply the value stick, a research-based framework for strategy formulation, to key strategic decisions that companies face today
- Master the language and tools of business strategy to contribute meaningfully to strategic conversations and your team's success
- Create value for customers, employees, and suppliers, often in surprising ways, that rival companies will find hard to match
- Build sustainable success with the help of complements and network effects
