Introduction

This workshop introduces the principles of strategy and develops an effective process for strategy development at all levels in an organization. The workshop also focuses on the critical roles of team leaders and middle managers in harnessing their team's potential and provides techniques for moving the team to peak performance.

Key Highlights of the Course:

- Business analysis
- Strategic team working
- Strategic presentation skills
- Identification and use of team members' talents and preferences
- Structuring the team for peak effectiveness
- Creating and communicating a compelling vision
- Motivating and developing your team
- Managing performance and conflict

The seminar is divided into two modules:

- **MODULE 1:** Strategy & Strategic Planning
- **MODULE 2:** Leading High Performing Teams

Each module is structured and can be taken as a stand-alone course, but delegates will maximize their benefits by taking both Module 1 and 2 back-to-back as a two-week seminar.
