Training Course: Advanced Conflict Resolution and Change Management Strategies

Training Course code: MA234746 From: 18 - 22 May 2026 Venue: Tbilisi (Georgia) - Training Course Fees: 5775 € Euro

Introduction

Effective conflict resolution and change management are essential for strong leadership and high-performing teams. The [Advanced Conflict Resolution and Change Management Strategies](#) program equips participants with practical tools to manage conflict, improve communication, and lead change successfully.

Using proven models such as the [Thomas-Kilmann Conflict Mode Instrument](#), the program enhances self-awareness, strengthens collaboration, and supports leaders in driving sustainable organizational change.

Course Objectives

By the end of this program, participants will be able to:

- Understand the sources and dynamics of conflict in organizations
- Apply the Thomas-Kilmann model to manage conflict effectively
- Recognize different behavioral styles and adapt communication approaches
- Develop advanced communication and feedback skills
- Build collaboration and manage relationships across teams
- Identify and manage difficult personalities and challenging situations
- Apply emotional intelligence in conflict and leadership scenarios
- Understand key principles and models of change management
- Lead and support organizational change initiatives
- Develop strategies to sustain change and improve performance
