Training Course: The 5-day Oil and Gas MBA

Training Course code: EN6092 From: 22 - 26 November 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 5100 € Euro

Introduction

The oil and gas industry operates in a highly dynamic and capital-intensive environment, requiring professionals to combine technical understanding with strong business and strategic management skills. An MBA-level perspective enables leaders to make informed decisions, manage risks, and drive organizational performance.

This program, designed by Global Horizon Training Center, delivers a condensed MBA experience tailored specifically for the oil and gas sector, focusing on strategy, finance, operations, and leadership to enhance executive decision-making.

Course Objectives

By the end of this program, participants will be able to:

- Understand the business and economic fundamentals of the oil and gas industry
- Apply strategic management principles in energy markets
- Analyze financial performance and investment decisions
- Manage operations and projects effectively
- Evaluate risks and market uncertainties
- Lead teams and drive organizational performance
- Integrate technical and business perspectives in decision-making
- Enhance competitive advantage and value creation

Target Audience
