Conference: Contracts Administration: From Award to Completion

Conference code: CO8244 From: 28 September - 2 October 2026 Venue: London (UK) - Conference Fees: 6300 € Euro

Introduction

This conference focuses on achieving organizational objectives by ensuring the contracting process delivers fair pricing, high quality, and timely results. World-class organizations recognize the importance of best practices in contract administration, emphasizing skills needed post-award. Participants will explore key topics, including effective contract administration, interpreting contract terms, maintaining schedules, and controlling contract changes. This fast-paced session equips attendees with practical tools to enhance contract management and drive successful project outcomes.

Objectives

- Be able to provide better outcomes from contracts
- Review Contract administration techniques
- Explore contract monitoring techniques
- Learn how to get fair treatment in contract changes
- Know how to analyze contracts
- Discuss contract termination issues
- How to Prepare for claims and disputes
- Review acceptance and Contract closeout issues
- Study the Inputs and outputs in contract administration

Methodology

Participants will increase competencies through a variety of instructional methods including a lecture by an experienced practitioner and consultant, exercises, and group discussions covering current practices and their relationship to the implementation of new concepts.

Summary

With the ever-increasing quantity of outsourcing by organizations, Contract Administration is emerging as an essential competency for professionals and managers in most functional activities that are involved in the acquisition of goods, equipment, and services. This conference is designed to take the participant through the many steps of contract administration from the time the award is made through to final acceptance, payment, and the contract closeout so that the total objectives of entering into the contract are achieved.
