Training Course: The Virtual Leader: Developing & Leading Teams

Training Course code: LS1080 From: 7 - 11 December 2026 Venue: Amsterdam (Netherlands) - Training Course Fees: 5775 € Euro

Introduction

Managers today are increasingly required to balance the need to complete tasks efficiently—often with fewer resources—while simultaneously building relationships across time zones, distances, and cultural boundaries. This workshop is designed for managers navigating this unfamiliar terrain and looking for new strategies for leading people in a virtual environment.

The workshop focuses on two crucial areas for the success of virtual teams: distance management and team leadership. Through a combination of theory and experiential exercises, participants will develop the skills needed to thrive in today's rapidly changing global work environment.

Objectives

By the end of the course, participants will be able to:

- Manage performance in a virtual environment
- Select and form virtual teams effectively
- Develop a strong virtual leadership presence
- Analyze personal growth and development in virtual settings
- Apply best practices for working with virtual teams
- Utilize tools essential for effective virtual management
- Build and maintain trust within virtual teams
- Navigate cultural differences and manage diversity in virtual teams
