Milan (Italy)*

Training Course: Real Estate and Property Management

Training Course code: MA12328 From: 2 - 13 November 2026 Venue: Milan (Italy) - Training Course Fees: 5775 € Euro

Introduction

The real estate sector plays a vital role in economic development, requiring effective property management to maximize asset value, ensure operational efficiency, and deliver high-quality services to tenants and stakeholders. This program, developed by [Global Horizon Training Center](#), provides a comprehensive understanding of real estate and property management practices.

The course covers key areas such as property operations, leasing, maintenance, financial management, and legal considerations. Participants will gain practical skills to manage real estate assets efficiently, enhance occupancy rates, and ensure long-term profitability and sustainability.

Course Objectives

By the end of this program, participants will be able to:

- Understand the fundamentals of real estate and property management
- Manage property operations and tenant relationships effectively
- Apply leasing strategies and contract management practices
- Plan and oversee maintenance and facility services
- Analyze financial performance and manage property budgets
- Ensure compliance with legal and regulatory requirements
- Improve asset value and return on investment ROI
- Develop strategies for sustainable and efficient property management
