## Training Course: Personal Security and Social Responsibility (PSSR)

Training Course code: HE1955 From: 29 June - 3 July 2026 Venue: Kuala Lumpur (Malaysia) - Training Course Fees: 6300 € Euro

### Introduction:

The "Personal Security and Social Responsibility" PSSR training program is designed by Global Horizon Training Center to empower individuals with the knowledge and skills to enhance personal safety and promote social responsibility. This program aims to provide participants with practical strategies to mitigate risks, protect themselves, and contribute to a safer community. Through interactive sessions and practical exercises, participants will develop a proactive mindset and the necessary skills to navigate various personal security challenges effectively.

### Objectives:

- To raise awareness about personal security risks and challenges in different environments.
- To equip participants with strategies to assess and mitigate personal security risks.
- To enhance participants' ability to respond to personal security threats effectively.
- To foster a sense of social responsibility and encourage active participation in creating safer communities.
- To promote the development of practical skills for personal security management.

### Methodology:

The training program will utilize a combination of interactive presentations, group discussions, case studies, role plays, and practical exercises. Participants will be encouraged to share their experiences and perspectives, creating a dynamic learning environment. Real-life scenarios and simulations will be employed to provide practical application opportunities, allowing participants to apply the knowledge and skills learned in realistic situations.

### Target Audience:

The Personal Security and Social Responsibility PSSR training program is suitable for a wide range of individuals, including:

- Corporate professionals seeking to enhance personal security in the workplace.
