Training Course: Executive Coaching

Training Course code: LS234968 From: 14 - 18 September 2026 Venue: Rome (Italy) - Training Course Fees: 6050 € Euro

Introduction

Executive coaching is a powerful process designed to help executives sharpen their skills, increase productivity, and enhance their overall performance. In today's competitive business environment, leaders must be adaptable, proactive, and equipped with the tools to achieve sustainable success. This program is specifically designed to provide executives with the techniques, insights, and strategies they need to thrive in their roles, manage complex challenges, and lead their teams with confidence.

Objectives

By the end of this program, participants will be able to:

- Understand the concept of executive coaching and its key benefits
- Identify areas for improvement in their leadership and executive performance
- Develop personalized plans to enhance leadership, communication, and management skills
- Implement actionable strategies to achieve goals and objectives
- Recognize and overcome obstacles to success and career growth

Target Audience

This program is designed for:

- C-suite Executives and Senior Managers
- Team Leaders and Mid-Level Executives
- Professionals seeking to enhance leadership skills and improve performance
- Leaders interested in achieving their professional goals through strategic coaching
- Individuals looking to develop their communication and management capabilities
