

*Training Course:
E-Purchasing*

*24 - 28 August 2026
Kigali (Rwanda)*

Training Course: E-Purchasing

Training Course code: PU234776 From: 24 - 28 August 2026 Venue: Kigali (Rwanda) - Training Course Fees: 6350 € Euro

Introduction

E-Purchasing is the process through which businesses buy and sell products and services over the Internet. This method is increasingly becoming popular as companies discover the numerous benefits, including cost savings and streamlined procurement processes. The E-Purchasing training course focuses on how to establish an E-Purchasing system within an organization, addressing the crucial steps for managing procedures effectively. This course explores how procurement can contribute significantly to organizational success, turning it into a core competency.

Training Objectives

By the end of this course, participants will:

- Understand the diverse forms of E-Purchasing.
- Comprehend the requirements for developing an E-Purchasing system.
- Learn the principles of negotiation and E-Purchasing skills.
- Understand how to execute and manage an E-Purchasing system.
- Be equipped to handle and maintain an E-Purchasing system within their organization.

Target Audience

This training program is ideal for:

- Specialists in Procurement, Purchasing, Supply Chain Management, and Finance
- Professionals involved in the development and implementation of an E-Purchasing system
- Anyone interested in improving and streamlining purchasing procedures using online systems
