

Conference:
COSO Enterprise Risk Management Certificate

14 - 18 September 2026
Kuala Lumpur (Malaysia)

Conference: COSO Enterprise Risk Management Certificate

Conference code: CO234834 From: 14 - 18 September 2026 Venue: Kuala Lumpur (Malaysia) - Conference Fees: 6300 € Euro

Introduction

The complexity of enterprise risk has evolved, requiring everyone's involvement in its management. The COSO Enterprise Risk Management Certificate teaches the updated ERM framework, equipping participants to align risk management with organizational strategy to enhance performance. Self-paced modules provide practical knowledge to apply the ERM framework effectively. The framework's five components support diverse perspectives, improve decision-making, and help management and boards fulfill their risk management responsibilities. This program empowers organizations to integrate ERM into their strategy-setting process for better outcomes.

Objectives

- An Overview of Enterprise Risk Management - Integrating with Strategy and Performance
- The Governance and Culture Component
- The Strategy and Objective - Setting Component
- The Performance Component
- The Review and Revision Component
- The Information, Communication, and Reporting Component
- Case Application - ERM Improvement Observations

Target Audience

- Team members who play a risk management role in entities of any size.
- Consultants who provide advisory services related to enterprise risk management.
- Board members who provide oversight of enterprise risk management
