Training Course: Public Service Management

Training Course code: MA234800 From: 28 June - 2 July 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

Effective public service management is essential for delivering high-quality services, enhancing citizen satisfaction, and ensuring accountability and transparency within government institutions. The **Public Service Management** program is designed to equip participants with the knowledge and skills required to improve service delivery, optimize performance, and strengthen governance in the public sector.

This program focuses on modern management practices, service excellence, performance measurement, and policy implementation, enabling public sector professionals to respond effectively to evolving societal needs and expectations.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles and frameworks of public service management
- Enhance service delivery and citizen satisfaction
- Apply performance management and measurement techniques
- Improve decision-making and policy implementation processes
- Strengthen governance, accountability, and transparency
- Develop strategies for organizational improvement in the public sector
- Apply leadership and communication skills in public service environments
- Manage resources efficiently and effectively

Target Audience

This program is designed for:

- Government Officials and Public Sector Employees
- Managers and Supervisors in Public Institutions
- Policy Makers and Advisors
- Administrative and Operational Staff in Government Entities
- Professionals involved in public service delivery and administration
