Training Course: Advanced Procurement Skills

Training Course code: PC4027 From: 20 - 24 September 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

Introduction

This program is designed to enhance the capabilities of Procurement Professionals and Senior Buyers. It focuses on advanced procurement and negotiation techniques, business continuity, and contingency planning. Participants will gain practical tools to improve procurement department effectiveness, reduce supply chain costs, and implement world-class procurement practices.

The course also develops leadership, communication, and team management skills necessary to drive organizational efficiency and supplier performance. Delegates leave with actionable plans for measurable cost savings and improved supplier relationships.

Objectives

Participants will learn to:

- Review and implement critical supply strategies
- Apply activity-based costing ABC to procurement decisions
- Understand and manage forces of change in supply chains
- Build rapport, trust, and credibility in workgroups
- Develop skills for strong supplier relationships
- Plan and execute successful negotiations
- Apply category segmentation processes
- Rate and evaluate supplier strengths and weaknesses
- Integrate business continuity and contingency planning into procurement processes

Target Audience

This course is suitable for:

- Senior Buyers and Procurement Managers
- Supply Chain Professionals
- Contract and Tendering Officers
- Category Managers
- Operational managers involved in supplier evaluation and selection
- Professionals preparing for leadership roles in procurement and supply chain management
