Training Course: Mastering Contracts Management - The Oxford 5-day MBA

Training Course code: PC4052 From: 5 - 9 October 2026 Venue: Casablanca (Morocco) - Training Course Fees: 4725 € Euro

Introduction

Contracts are central to all commercial transactions, making contracts management a core competency for successful organizations. This program equips participants with both strategic insights and practical skills across the entire contracting lifecycle, focusing on negotiation, price and cost analysis, risk management through contract types, critical source selection, contract administration, and claims/dispute resolution.

Objectives

By the end of this 5-day program, participants will be able to:

- Develop negotiation skills to achieve organizational objectives.
- Understand price and cost analysis fundamentals and pricing models.
- Apply contract types effectively to transfer and manage risk.
- Address volatile material pricing and economic adjustments.
- Evaluate and implement performance-based service contracting methods.

Target Audience

- Contract Managers and Administrators
- Procurement and Supply Chain Professionals
- Project Managers involved in contractual projects
- Legal and Commercial Teams supporting contracting activities
- Senior executives responsible for supplier or contract oversight

Program Outline
