Training Course: Certified Manager Quality & Organizational Excellence

Training Course code: LS234645 From: 8 - 12 November 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 4350 € Euro

Introduction

The Certified Manager Quality & Organizational Excellence CMQ/OE program is designed to prepare professionals to lead organizational excellence and quality improvement initiatives across various industries and operational environments. The program focuses on developing the leadership, strategic planning, process management, and quality management competencies required to improve organizational performance and operational efficiency.

This comprehensive program equips participants with the practical knowledge and tools necessary to support strategic deployment, manage quality systems, improve customer and supplier relationships, analyze organizational risks, and drive continuous improvement initiatives. It also prepares professionals to successfully apply the principles outlined in the CMQ/OE Body of Knowledge BOK while enhancing their ability to solve organizational challenges and support business excellence.

Course Objectives

By the end of this training program, participants will be able to:

- Understand and apply the CMQ/OE Body of Knowledge BOK.
- Develop and deploy organizational quality and excellence strategies.
- Lead teams and support organizational change initiatives effectively.
- Apply quality management systems and continuous improvement methodologies.
- Utilize problem-solving, process management, and quality measurement tools.
- Improve customer satisfaction and organizational performance.
- Analyze financial situations, operational risks, and process challenges.
- Apply Lean, process improvement, and quality control techniques.
- Manage supplier relationships and supply chain quality requirements.
- Design and evaluate training and organizational development initiatives.
