Training Course: Advanced Influence and Negotiation

Training Course code: LS234747 From: 12 - 16 July 2026 Venue: Manama (Bahrain) - Training Course Fees: 4725 € Euro

Introduction

In today's fast-paced, high-stakes business environment, new opportunities may present themselves at any moment and executives must be prepared to negotiate. Influence negotiation skills may make the difference between a favorable and detrimental outcome for your organization. In this program, you will learn how to influence and negotiation effectively to achieve more value while maximizing the benefits for your organization.

"Typically, we think of negotiations in the dramatic context of the highest sum game: geopolitical, corporate acquisitions, or situations involving monetary consequences such as buying a home or accepting a new salary. While influencing and negotiations are critical in those instances, we often don't realize that even our most mundane daily interactions are indeed negotiations," says Professor John Burrows, the program's Faculty Director.

Course Objectives

- Gain Advanced strategies to negotiate with influence and prepare for success
- Explore your individual negotiation style and how hidden psychological biases may shape outcomes
- Learn how cultural and cross-border differences can influence negotiations in significant ways
