

*Training Course:
Management Analysis and Operational Audit*

20 - 24 December 2026

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Management Analysis and Operational Audit

Training Course code: EN9386 From: 20 - 24 December 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4410 € Euro

Introduction

Management analysis and operational auditing are essential tools for evaluating organizational performance, improving efficiency, and ensuring effective use of resources. By systematically reviewing processes, controls, and outcomes, organizations can identify inefficiencies, mitigate risks, and enhance overall performance.

This program, designed by Global Horizon Training Center, equips participants with the methodologies and practical skills required to conduct management analysis and operational audits, supporting continuous improvement and strategic decision-making.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles of management analysis and operational auditing
- Evaluate organizational processes and performance
- Apply audit methodologies and frameworks
- Identify inefficiencies, risks, and control weaknesses
- Develop audit plans and conduct fieldwork
- Analyze data and interpret audit findings
- Prepare audit reports and recommendations
- Support continuous improvement and governance
