

*Training Course:  
The Contracts & Purchasing Masterclass*

*20 - 31 July 2026  
London (UK)*

## Training Course: The Contracts & Purchasing Masterclass

Training Course code: PC4065 From: 20 - 31 July 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

### Introduction

World-class organizations recognize that best practices in Purchasing and Contracting are critical for operational success. This intensive 10-day masterclass equips participants with the skills and strategies to move these functions from tactical execution to strategic value creation.

Participants will focus on:

- Developing organizational strategies for purchasing and contracting teams
- Roles and responsibilities of purchasing and contracting personnel
- Negotiation techniques with suppliers and contractors
- Cross-functional procurement and contracting approaches
- Tendering, RFQs, and contract selection
- Key contract terms, conditions, and contract management
- Measurement and improvement of purchasing and contracting performance

### Objectives

By the end of the program, participants will be able to:

- Review and implement contract strategies effectively
- Understand team structures and key roles in procurement and contracting
- Drive continuous improvement in purchasing and contracting processes
- Analyze important commercial contract clauses
- Apply strategic approaches to tendering, negotiation, and contracting
- Measure performance and implement improvements using KPIs
- Ensure contracts reflect organizational objectives and reduce disputes

### Target Audience

- Purchasing Managers and Contract Managers
- Procurement Professionals
- Supply Chain and Operations Managers
- Project Managers involved in contracts or procurement
- Professionals responsible for supplier or contractor relationships

### Programme Outline - 10 Days
