London (UK)*

Training Course: Understanding and Implementing Contractual Obligations

Training Course code: PC4055 From: 20 - 31 July 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

Introduction

This program equips participants with the skills to implement, manage, and administer contracts effectively. It emphasizes understanding contractual provisions, the role of contract administrators, risk allocation, and dispute resolution, ensuring contracts are executed successfully while minimizing disputes and misunderstandings.

Program Objectives

By the end of the program, participants will be able to:

- Identify administration tools and understand the roles of the contract administrator.
- Recognize key contractual provisions and their impact on contract implementation and management.
- Understand the importance of knowing contractual terms and conditions.
- Apply techniques for problem-solving and effective contractor partnering.
- Utilize lessons learned to improve future contracts.
- Identify and apply Alternative Dispute Resolution ADR methods to resolve claims efficiently.

Target Audience

- Contract administrators and coordinators
- Procurement and project managers
- Contract specialists
- Professionals involved in contract preparation, implementation, or management
